Dear Rebecca

Response to 22/01967/S73 and 22/01966/S73, Variation of approved parameter plans for Land North of Cherry Hinton, Coldhams Lane, Cambridge

Cambridge Past, Present & Future is Cambridge's largest civic society. We are a charity run by local people who are passionate about where they live. We operate in the greater Cambridge area and working with our members, supporters and volunteers we:

- Are dedicated to protecting and enhancing the green setting of Cambridge for people and nature.
- Care about Cambridge and are an independent voice for quality of life in the strategic planning of Greater Cambridge.
- Are working to protect, celebrate and improve the important built heritage of the Cambridge area.
- Own and care for green spaces and historic buildings in and around the city for people and nature, including Wandlebury Country Park, Coton Countryside Reserve, Cambridge Leper Chapel & Barnwell Meadows, Bourn Windmill and Hinxton Watermill.

CPPF support the application to vary condition 5. We support the relocation of the primary route from the south side to the north side of the public open space within the central part of the site.

We consider that the through road will provide passing traffic which will support the viability of the central square and that the new alignment will have a lesser impact on the amenity of the village green.

I trust that you will take our comments into consideration.

Yours sincerely

Sarah Nicholas

Principal Planning Officer
