

Visiting us at Wandlebury

We are ready to welcome you to Wandlebury Country Park.

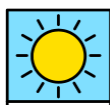

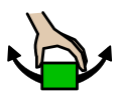

When you arrive you will walk from the car park,

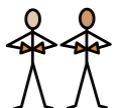

over the bridge to The Stables Education Room.

The Stables Education Room is in a Paddock which will be ours

to use for the day.

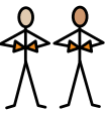

We will leave our bags inside and then go to the

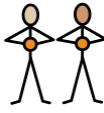

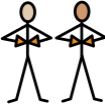

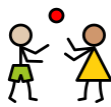

marquee and sit on the benches.

 Your  group  will meet  your Field Teacher  who will be your

 teacher for the  day.

 At lunchtime  we  will wash your hands  and  then eat  our

 packed lunch  with our  friends  in the paddock.

 We  will have time to  use the toilets  and  play before the

 afternoon sessions start.

 At the end of  the day,  we  will collect our  bags  and

 walk  back to the  car park  ready to go  home.

We

hope

you

lovely
